6. Maharashtra Real Estate Regulatory Authority (hereinafter referred to as 'MahaRERA') has issued Circular No. 25/2019, dated 11.10.2019 regarding clarification in respect of registration of agreement for sale/sale-deed for real estate projects. It has been mentioned in the said circular in regards to real estate projects that are excluded from MahaRERA Registration. Para 1 of said Circular deals with "Real estate projects that are excluded from MahaRERA Registration". Serial No.3 therein specifically states that real estate projects where promoter has received completion certificate/occupancy certificate/N.A. order (in case of plotted development) from competent authority, any time before agreement for sale/sale-deed registration, are excluded from MahaRERA registration (emphasis supplied). In other words, real estate project where promoter has received completion certificate/occupancy certificate/N.A. order in relation to plotted development prior to the date of advertisement, the said project can be said to be exempted from MahaRERA Registration. MahaRERA has issued another Circular No. 25A/2023, dated 09.06.2023 regarding real estate projects that are excluded from MahaRERA Registration. This circular supplements circular No.25/2019, dated 11.10.2019 regarding serial Nos.1 and 2 enumerated therein. However, Serial No.3 in the earlier circular, dated 11.10.2019, remained unchanged and still in force till the date. The impugned advertisement has been published by the promoter in daily newspaper "Lokmat", dated 23.10.2023 viz after receiving N.A. order. Therefore, considering Serial No.3 from circular No.25/2019, dated 11.10.2019, it can be said this project squarely falls within the scope of serial No.3 of Para 1 and consequently this project need no registration as it has already received N.A. order, final layout permission etc. from Competent Authority prior to publishing advertisement.

7. Considering the N.A. orders issued by Competent Authority for all projects prior to issuance of impugned advertisement and the provisions of the Act, 2016 it can be said, no case is made out against the respondent-promoter for violation of Section 3 of the Act, 2016. There is no iota of

evidence to prove that this respondent has breached the Section 3 of the Act of 2016. Under these circumstances, Section 59 of the Act of 2016 cannot be invoked in the matter. Consequently, the penalty under Section 59 of the Act, 2016 cannot be imposed in the present matter.

8. The matter therefore, stands disposed off without imposing any penalty.
