(Date of hearing -05.08.2024 matter reserved for order)

Coram: Shri Ajoy Mehta, Chairperson, MahaRERA

CA Sumit Kapure present for the Promoter.

1. VISHWA REAL ESTATE CO is the Promoter/Developer within the meaning of Section 2(zk) of the Real Estate (Regulation and Development) Act, 2016 ("**said Act**") of Real Estate Regulatory Authority ("**RERA**") and had registered the project "NATURE PARADISE" under section 5 of the said Act bearing MAHARERA **Registration No. P52000001604** (hereinafter referred to as the "**said Project**").
2. The Promoter has filed an extension application No. EXT52000024454 on 30.07.2024 (hereinafter referred to as "**said extension application**") seeking for extension of the said Project under section 7(3) of the said Act which was heard by this Authority on 05.08.2024 wherein the following roznama was recorded:

"Party informs us that this is a plotted development having a bungalow scheme. The major portion of the development is complete. A small portion remains, and they are seeking to revise the configuration for the purpose of improving their sales. The bungalow that are complete, their land records have also being updated and the same has been handed over to the allottees. Party seek extension still 31.12.2029. Matter reserved for orders."

3. Before moving ahead, the Authority notes the registration details already on record. The Promoter while seeking registration of the said Project had submitted the date of completion as 31.12.2020. MahaRERA granted three (3) extensions on the ground of Covid-19 pandemic which were granted to all the projects registered with MahaRERA and qualifying under Notifications / Orders Nos. 13, 14 & 21 dated 02.04.2020, 18.05.2020 & 06.08.2021 along with section 7(3) whereby the date of completion was extended up to 30.06.2026. The Promoter states that the main reason for delay is pace of sales being lower than expected and thereby effecting the cash flows of the Project. In addition to poor cash flow, cost overruns on Projects, unexpected expenses, economic downturns are reason that further contributed the delay. To solve the issue of sale the Promoter is in process of revising the sanctioned plans so that to amend the size of the larger plots to match with the demand in the local market and fill in the demand supply gap. The Promoter states that they shall need three and half years to complete the other development as per commitment with respect to of rest of the Project. Hence the Promoter has applied for extension vide the said extension application herein under section 7(3) of the said Act for the period from 01.07.2026 to 31.12.2029.

4. Thus, the issue before this Authority is with regard to grant of extension under Section 7(3) of the said Act. In this regard it is pertinent to note that the Promoter this time has not been able to obtain 2/3rd majority consents of the Allottees of the said Project. In this context the relevant extract of Section 7(3) is reproduced hereinbelow for ease of reference:

"7 (3) The Authority may, instead of revoking the registration under sub-section (1), permit it to remain in force subject to such further terms and conditions as it thinks fit to impose in the interest of the allottees, and any such terms and conditions so imposed shall be binding upon the promoter."

On the plain reading of Section 7(3) of the said Act, it is clear that instead of revoking the registration this Authority can impose certain terms and conditions as it thinks fit to let the registration remain in force.

5. The following observations are noteworthy before examining the issue of grant of extension under Section 7(3) of the said Act of registration of the said Project:
- a. The said Project is plotted development and comprises of approx. 117 plots.
 - b. The Promoter states that the main reason for delay is pace of sales being lower than expected and thereby effecting the cash flows of the Project. In addition to poor cash flow, cost overruns on Projects, unexpected expenses, economic downturns are reason that further contributed the delay.
 - c. To solve the issue of sale the Promoter is in process of revising the sanctioned plans so that to amend the size of the larger plots to match with the demand in the local market and fill in the demand supply gap.
 - d. The Promoter states that they shall need three and half years to complete the other development as per commitment with respect to of rest of the Project.
6. In view of the above, the issue of the extension under Section 7(3) of the said Act as sought by the Promoter without 2/3rd consents of the Allottees needs to be examined in light of the above-mentioned fact. The Authority would like to bring on record the statements of objects and reasons of the said Act which are reproduced hereinbelow for ease of reference:

“An Act to establish the Real Estate Regulatory Authority for regulation and promotion of the real estate sector and to ensure sale of plot, apartment or building, as the case may be, or sale of real estate project, in an efficient and transparent manner and to protect the interest of consumers in the real estate sector and to establish an adjudicating mechanism for speedy dispute redressal and also to establish the Appellate Tribunal to hear appeals from the decisions, directions or orders of the Real Estate Regulatory Authority and the adjudicating officer and for matters connected therewith or incidental thereto.”

On perusal of the above it is clear that the whole aim of the said Act has been to promote the real estate sector in an efficient and transparent manner and protect the interest of the consumers (*including home buyers / Allottees*). Thus, by not extending the registration of the said Project the same will come to a halt. The Promoter shall not be able to take actions for efficient completion as may be required in view of the lack of registration. Such an action will only be detrimental to the interest of the consumers (*including home buyers / Allottees*).

Thus, the balance of convenience lies in allowing the extension with such condition so as to ensure completion. Further the Authority also notes that this extension under Section 7(3) needs to be granted so that the completion of the said Project is not interrupted. Thus, the Authority grants the extension to the registration of the said Project from 01.07.2026 to 31.12.2029. Needless to say, this extension will be without prejudice to the rights of the Allottees under the said Act. In view thereof, this Authority allows the said extension application keeping the rights of the Allottees intact with certain directions hereinbelow.

FINAL ORDER

The said extension application is **allowed** and the extension for the said Project is granted from 01.07.2026 to 31.12.2029 with the following conditions:

- A. The Promoter shall complete the construction work and obtain OC for the said Project. Needless to say, the Allottees of the said Project shall co-operate with the Promoter. That the rights of the Allottees under the said Act shall however remain intact.
