matter."

3. Subsequent to the said order the Applicant (Promoter) on 15.04.2024 the Applicant (Promoter) file an application for restoration of the captioned matter. Pursuant to the application dated 15.04.2024, the captioned matter was heard on 21.05.2024 wherein the following roznama was recorded by the Authority:

*"Promoter had remained absent on two consecutive hearings namely on 13.02.2024 & 27.02.2024. In view of two consecutive absences, the Promoter was marked absent and the matter was dismissed for not pursuing.*

*Promoter appears today and states that there were some personal problems because of which the Promoter was unable to appear. The Promoter seeks restoration of the matter. The Authority as a principle of natural justice and in order to give an opportunity to the Promoter of being heard, restores the matter.*

*The Promoter states that the area of the Project is less than 500 sq. mtrs. and does not need registration. In view of the above, the Promoter seeks deregistration.*

*Matter is reserved for order."*

4. The captioned matter was restored vide the Roznama dated 21.05.2024 and was heard on de-registration application.
5. The Applicant (Promoter) has stated the following for seeking deregistration of the said Project on the ground that the project area is 450 sq. mtrs which is less than 500 sq. mtrs as per the section 3 of the said Act.
6. Thus, from the submissions of the Applicant (Promoter) and notarized declaration-cum- undertaking dated 08.04.2024 it is clear that there are zero allottees in the said Project. It is observed that the Project consists of only one (1) building. Further no objections were received upon notice for de-registration published by MahaRERA on 14.08.2023.
7. Before the Authority decides on the order on deregistration, the section that provides conditions prior to the registration of the Project with the Authority needs to be examined. Section 3 of the said Act is hereinbelow reproduced for ease of reference:

*(1) No promoter shall advertise, market, book, sell or offer for sale, or invite persons to purchase in any manner any plot, apartment or building, as the case may be, in any real estate project or part of it, in any planning area, without registering the real estate project with the Real Estate Regulatory Authority established under this Act:*

*Provided that projects that are ongoing on the date of commencement of this Act and for which the completion certificate has not been issued, the promoter shall make an application to the Authority for registration of the said project within a period of three months from the date of commencement of this Act:*

*Provided further that if the Authority thinks necessary, in the interest of allottees, for projects which are developed beyond the planning area but with the requisite permission of the local authority, it may, by order, direct the promoter of such project to register with the Authority, and the provisions of this Act or the rules and regulations made thereunder, shall apply to such projects from that stage of registration.*

***(2) Notwithstanding anything contained in sub-section (1), no registration of the real estate project shall be required —***

*Provided that, if the appropriate Government considers it necessary, it may, reduce the threshold below five hundred square meters or eight apartments, as the case may be, inclusive of all phases, for exemption from registration under this Act;*

*(b) where the promoter has received completion certificate for a real estate project prior to commencement of this Act;*

*(c) for the purpose of renovation or repair or re-development which does not involve marketing, advertising selling or new allotment of any apartment, plot or building, as the case may be, under the real estate project.*

*Explanation. — For the purpose of this section, where the real estate project is to be developed in phases, every such phase shall be considered a stand alone real estate project, and the promoter shall obtain registration under this Act for each phase separately."*

8. On perusal of section 3 it is clear that a Project is not required to be registered where the area of land proposed to be developed does not exceed five hundred (500) square meters. In the captioned case the project area is 450 sq. mtrs. which is less than 500 sq. mtrs. Hence the said Project is not mandated to be registered with MahaRERA. However, the Applicant (Promoter) had registered the said Project with the MahaRERA on 23.06.2023.
9. Thus, it can be concluded that notwithstanding the exemption outlined in the aforementioned Act, it is evident that the Applicant (Promoter) voluntarily opted to register the said Project with the Authority. Nevertheless, in accordance
